Casino Night!

The NCM\$A is a volunteer group of physicians, physicians' spouses and allies dedicated to giving back to the community through a number of outreach programs and health initiatives. This year's Casino Night will raise funds for our grant program:

H.E.L.P. – Health, Education and Literacy Programs

Since inception, our bi-annual Casino Night events have raised over \$150,000 for local grants. The Alliance continues to support a wide range of community needs. Most recently, we funded tools in pre-k programs; supported drug trends education on dangers of vaping and recreational drugs and identifying the signs of drug abuse; provided meals to families in need during Covid; helped educate families on creating safe home environments and preventing SIDS; supported a substance abuse prevention and behavioral health program for middle school students in Easton; helped fund the Emergency Meals Program in Bethlehem; and purchased educational self-help books and DVDs for homeless males, many of whom were veterans. Some of the organizations we recently helped support: The Center for Humanistic Change, Greater Valley YMCA, Lehigh Valley Public Media (PBS 39), Lehigh Valley Children's Centers, ProJeCt of Easton, Victory House of the Lehigh Valley, and VNA of St. Luke's Home Health and Hospice.

NCM\$A's Casino Night will be an exciting night attended by 200 prominent members of the Lehigh Valley medical community, including St. Luke's University Health Network, Lehigh Valley Health Network, and many independent practices.

Please consider being a part of this worthwhile event by becoming a sponsor. Casino Night will be held on Friday, March 1, 2024 at DeSales University. There will be "funny" money gaming, music, food, open bar, prizes, raffles and more!

Thank you for your consideration!

Sincerely,

Beth Brown
